FACILITIES

The Wichita Mid-Continent Classic Competition will be held at the Wichita Ice Arena located at 505 West Maple. The 2011 competition will be held in the NHL rink which measures 85'x200' with bleacher seating. The NHL rink has rounded corners. There is a snack bar located on the lower level adjacent to the rink lobby, and there is an observation area located on the upper level overlooking the NHL rink. There also is a Pro Shop located just off the lobby on the ground level which also has skate sharpening facilities.

REGISTRATION

A registration desk will be located on the upper level near the NHL rink and will be open late Friday afternoon and one hour prior to the first practice on Saturday morning. Other hours will be announced after the final schedule has been posted. Skaters must register before being permitted to skate any of the practice sessions

OFFICIAL NOTICES

An Official Bulletin Board will be maintained in the registration area. It is the responsibility of each skater, parent and coach to check this board for Event Times when entering the ice arena. Any corrections to the schedule will be posted on this board. It is requested that the skaters arrive at least 45 minutes prior to their event.

AWARDS

Medals especially designed for the competition will be awarded to the first three places and ribbons for the next three places. If a final round is held, trophies will be presented to the first three places. Awards will be presented in the photography area immediately following each event. It is required that competition outfits and skates be worn for the presentation and photos.

BOB GARVEY ARTISITIC AWARD

The Bob Garvey Award is presented to the skater who gives the best artistic performance during the competition. This award is presented in memory of Bob Garvey who was the Vice President of the Wichita FSC and passed away after the 2008 Mid-Continent Competition.

TEAM TROPHY

The visiting clubs will compete for a high point trophy based on the placement of their participating skaters. Team scores will be calculated as follows: 1st place = 4 points; 2nd place = 3 points; 3rd place = 2 points and 4th place = 1 point. Final rounds will not count towards the team trophy final total.

PHOTOGRAPHY & VIDEO

Awards photographs will be available for purchase. Orders may be placed in the awards area on the second level. Personal Digital and Video cameras will be permitted, but **Please, NO flash photography at any time during practice or competition.**

MUSIC

Competitors in Free Skating, Short Program, Free Dance, Short Dance and Artistic must furnish their own music on a standard CD-R. Music will be provided for the Compulsory Dance events. All music must be turned in at the time of registration and will not be returned until after the event has been completed. Each CD must have only one (1) track on it. Any disc with more than one track will not be accepted. Lead in time (time before the music begins) on the CD may not exceed two (2) seconds. Each CD must be in a standard CD sleeve or jewel box and must be plainly marked with the competitors name, event and music run time. Jewel boxes, sleeves and CD's that are not properly identified will not be accepted. Bring at least two copies of the music; one to turn in immediately at registration and one for practice. A spare CD must be readily available during the competition in case problems arise with the original CD. Please, present the original CD at the registration desk when you first arrive. CD's of excellent quality and good condition will be to the skater's advantage. Music will not be returned for practice after registration is completed. CD's can be picked up at the music desk immediately following the event. The Music Committee will take all reasonable precautions to safeguard your CD; however, the committee will not accept responsibility for accidental damage.

REFUNDS

There will be no refunds after July 9, 2011, unless no competition exists in the event or there is a death in the family.

SCHEDULE

A tentative schedule will be posted on the web site as soon as it is available. We anticipate posting a confirmed schedule two weeks before the competition and individual confirmations will be mailed or emailed as soon as possible thereafter. The Local Organizing Committee (LOC) does not assume responsibility for changes in travel plans that may result from schedule changes.

PRACTICE ICE

Official practice ice has been tentatively been scheduled to begin early Saturday morning August 20, 2011, before the start of the competition. Skaters must be registered before being allowed to skate any practice sessions. After all the requests have been assigned for official practice ice, and if the competition schedule allows, skaters may sign up for additional practice ice at the registration desk on a first come first served basis.
